**“It is time to change
our perceptions of
what it means to be
older”**

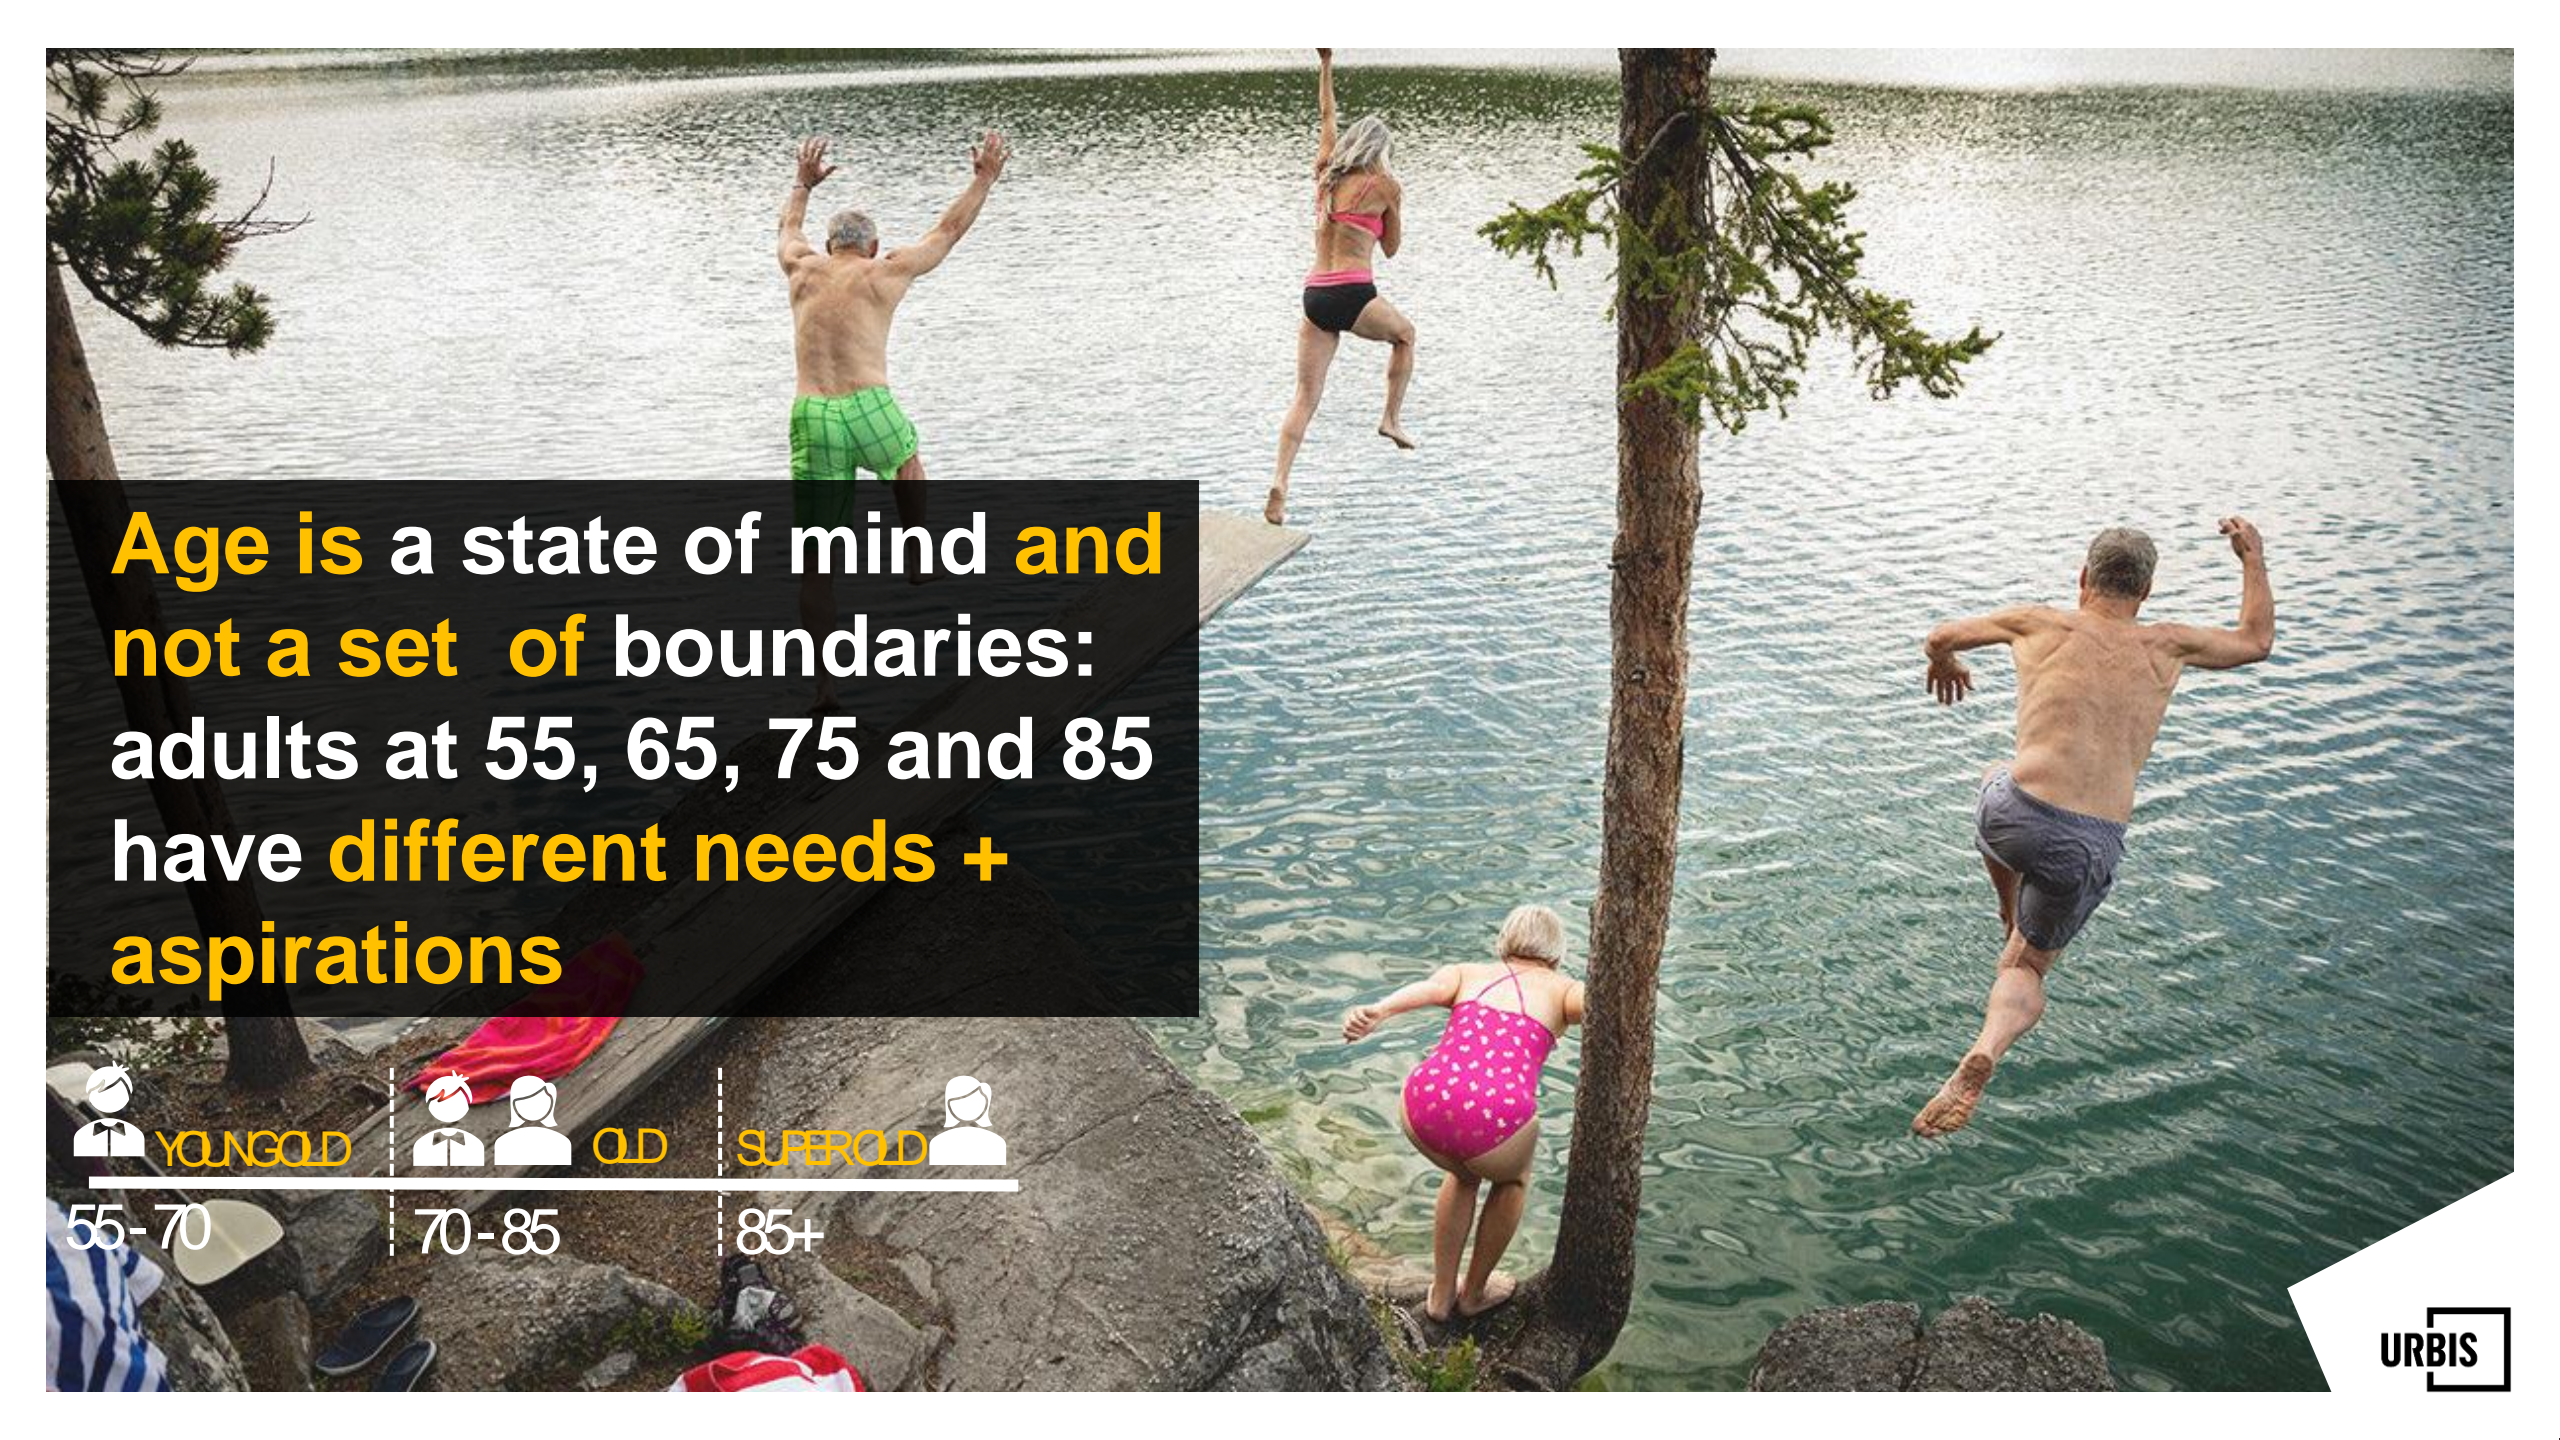

CHALLENGE PERCEPTIONS

Its My Life

AND BY 2050 THERE
WILL BE 8.1 MILLION
OF ME IN AUSTRALIA

Age is a state of mind and not a set of boundaries: adults at 55, 65, 75 and 85 have different needs + aspirations

YOUNGOLD

55-70

QLD

70-85

SUPEROLD

85+

By 2030

There will be more People aged 65 years + in the world than people aged 14 years & under

A diverse group of approximately 15 people of various ages and ethnicities are smiling and posing for a group photo. The group includes a man with a grey beard and a flat cap, a man with a beard and glasses, a woman with long dreadlocks, a man with a beard and glasses, a woman with long blonde hair, a man with a beard and glasses, a woman with long dark hair, a man with a beard and glasses, a woman with long dark hair, a man with a beard and glasses, a woman with long dark hair, a man with a beard and glasses, a woman with long dark hair, and a woman with short grey hair. The background is a plain, light-colored wall.

**As a nation, we
need to keep older
adults productive**
