SCBC is proudly hosting prominent regional federal members
Ted O’Brien MP and Andrew Wallace MP at a Sunshine Coast
Business Council Lunch on Friday 14 March 2025.

2025 is a federal government election year - as early as
March and as late as May 2025.

Join SCBC members and the wider business community
to hear from Ted O’Brien and Andrew Wallace on how
a Federal LNP government - against the backdrop of
current budget pressures, economic and market
conditions- will deliver better regulations and policy
solutions to stimulate private sector investment, deliver
regional infrastructure, support regional industry and
business, and create jobs.

With businesses closing at record rates and others
struggling - regulation burden, high costs of doing
business, resource shortages - this election is critical for
regional industry and business, families, and communities
alike.

Investment in Australia and the Sunshine Coast has
slowed despite a strong regional pipeline of major
projects. We need effective action to increase investor
confidence and get investment moving again and help
deliver the Brisbane 2032 Olympic and Paralympic Games.
